

About ARCL

- AMC Repo Clearing Limited (ARCL), is a Limited Purpose Clearing Corporation, established with the objective of deepening and widening the corporate bond repo market in India. ARCL has been granted recognition by SEBI under SECC Regulations, 2018, as a Limited Purpose Clearing Corporation. ARCL has been authorized by Reserve Bank of India (RBI) under Payment and Settlement Systems (PSS) Act, 2007 to offer central counterparty services to all trades executed on NSE and BSE in tri-party repo in corporate debt securities and to also act as a Tri-party Repo agent for repo trades in corporate debt securities.
- The organisation is in important part financial industry and currently in nascent stage with high potential of growth.
- The IT landscape for business of ARCL will require systems for Clearing & settlement, risk management, membership etc with interface with stock exchanges, clearing corporations and banks. All these systems have to be cyber safe and aligned to relevant regulatory requirements of SEBI and RBI.
- The core business functions of ARCL are outsourced to a SEBI recognised MII (Market Infrastructure Intermediary) and all related IT systems are hosted in their premise in Mumbai. However, all user end points are at the corporate office. ARCL has also subscribed to few SaaS offerings.
- The corporate office of ARCL is situated at The Windsor, off CST Road Kalina Santacruz East Mumbai 400098.
